

## Magazine subscriptions for the year 2024

BeeCraft Subscriptions will be managed differently from now on. Instead of ticking a box on your membership form and paying us for your BeeCraft subscription, you'll be given a special promotion code when you renew your membership, so that you can manage things yourself via the BeeCraft website. Not only will this make it easier for everyone to manage, it also means you'll now be able to set up Direct Debit Payments ensuring that your BeeCraft subscription renews automatically and receiving an even greater discount.

The discounted rates are £35 for a 12 month print subscription and £22 for a 12 month digital subscription (normal 2023/2024 prices are £45 and £27). Further discounts for Direct Debit payments (£33 for print, £20 for digital) are also available.
